

top issue. As noted above, there were sixteen instances in which TBF offered no programming whatsoever on a top issue in a quarter. In addition, there are nineteen additional instances (for a total of thirty-five) in which no local programming was listed for an issue in a quarter. Local programs would include Miami Praise The Lord, Feedback, and South Florida Public Report. The issues in question are:

<u>First Quarter 1987</u>	-	Ethnic Groups/Immigration/ Discrimination (H, 21) <sup>13</sup> Housing (H, 24)
<u>Second Quarter 1987</u>	-	AIDS (H, 32-33) Crime (H, 33-34)

e. Nonresponsive Network Programming

488. In many instances, programming listed in the quarterly reports as being responsive to the needs and interests of Miami has no bearing upon Miami's needs and interests. f. Nonresponsive Programming

489. Many of the programs listed in TBF's quarterly reports deal with aspects of an issue that TBF's own ascertainment shows were not of importance to the community.

In other cases, TBF's programming focused on a narrow area, when TBF's ascertainment provided no basis for concluding that the narrow area was of importance to the community.

i. Crime

490. Many of TBF's programs listed as being responsive to the issue of crime deal with obscenity and pornography. Such programs include:

<u>Feedback</u>	3/13/87	(H,7)
<u>Feedback</u>	3/20/87	(H,7)
<u>Joy</u>	4/3/87	(H,34)
<u>Feedback</u>	4/5/88	(H,120)
<u>Feedback</u>	5/2/88	(H,120)
<u>Behind The Scenes</u>	4/5/88	(H,119-120)
<u>Feedback</u>	7/3/89	(H,230-231)
<u>The 700 Club</u>	7/3/89	(H,252)
<u>Miami Praise The Lord</u>	2/16/90	(H,265)
<u>Feedback</u>	1/18/90	(H,267)
<u>Miami Praise The Lord</u>	7/13/90	(HH,4)
<u>Feedback</u>	7/16/90	(HH,5)
<u>Miami Praise The Lord</u>	12/28/90	(HH,46)
<u>Feedback</u>	10/17/90	(HH,47)
<u>Feedback</u>	1/23/91	(HH,67)

In the first quarter of 1987, pornography was combined with crime as a community issue. TBF/Glendale Joint Ex. 2, P. 1. Pornography does not appear anywhere on the tabulations from the second quarter of 1987 until the third quarter of 1989. TBF/Glendale Joint Ex. 2, Pp. 2-10. Beginning in the fourth quarter of 1989, pornography was listed as a separate issue. TBF/Glendale Joint Ex. 2, Pp. 11-19. Except for the second quarter of 1990 (P. 13), pornography was not one of the top ascertained issues. Id.

491. Other programs listed under crime deal with the occult and its supposed relationship to crime. Those programs include:

<u>Feedback</u>	10/5/89	(H,250-251)
<u>Joy</u>	10/26/89	(H,251-252)
<u>The 700 Club</u>	10/31/89	(H,252-253)
<u>Feedback</u>	3/5/90	(H,265)

Also, the A Call to Action program listed under Education/Schools on March 18, 1991 (HH, 83) deals with the occult. During the times when the occult or satanic influences received any mentions as a community issue of importance, it never was ascertained to be one of the top ten issues in the community. TBF/Glendale Joint Ex. 2, Pp. 10, 11 (three mentions), 16 (one mention).

ii. Education/Schools

492. Much of TBF's programming on this topic dealt with two narrow areas: teaching of religion and/or "traditional values" in the schools, and home schooling. Programs dealing with religion and/or "traditional values" include:

<u>Miami Praise The Lord</u>	5/22/87	(H,36)
<u>Joy</u>	4/24/87	(H,36)
<u>Praise The Lord</u>	5/18/87	(H,37)

<u>Miami Praise The Lord</u>	2/17/89	(H,188)
<u>A Call to Action</u>	1/11/89	(H,189)
<u>A Call to Action</u>	1/18/89	(H,190)
<u>Joy</u>	2/6/89	(H,191)

<u>Feedback</u>	12/14/89	(H,256)

<u>Dr. Kennedy</u>	9/4/90	(HH,14)
<u>Miami Praise The Lord</u>	11/30/90	(HH,49)
<u>A Call to Action</u>	12/17/90	(HH,50)

<u>Joy</u>	8/7/91	(HH,142)
<u>The 700 Club</u>	7/28/91	(HH,142-143)

493. Other programs listed under the rubric of "Education/Schools" dealt with home schooling as noted below:

<u>A Call to Action</u>	10/25/89	(H,257)
<u>Joy</u>	2/12/90	(H,272)
<u>Joy</u>	8/8/90	(HH,15)
<u>Joy</u>	11/26/90	(HH,50)
<u>Miami Praise The Lord</u>	1/18/91	(HH,81)
<u>Miami Praise The Lord</u>	3/22/91	(HH,81)
<u>The 700 Club</u>	4/21/91	(HH,107-108)
<u>Feedback</u>	7/11/91	(HH,140-141)

TBF only had three programs including officials from local public school systems: Miami Praise The Lord on 5/6/88 (H,124-125), Feedback on 12/14/89 (H,256), and Miami Praise The Lord on 11/16/90 (HH,49). TBF provided no evidence as to whether the persons who thought education was a top issue were concerned with improving the public school system, college education, technical education, funding of public education, teacher salaries, religion in school, or home schooling. While many of the programs express opposition to homosexuality in the public schools, homosexuality was never ascertained to be an important community issue. TBF/Glendale Joint Ex. 2, Pp. 9, 12, 14, 17, 18. When the separation of church and state was listed as a potential community issue in the last three quarters of 1991, that issue did not receive a single mention. TBF/Glendale Joint Ex. 2, Pp. 17-19. When morality was listed as a community issue in 1991, it did not receive more than two mentions in any quarter. TBF/Glendale Joint Ex. 2, Pp. 17-19.

iii. Cost of Living/Inflation/Poverty

494. For every quarter during the renewal period except the first quarter of 1987, unemployment was considered to be a separate issue from Cost of Living/Inflation or Cost of Living/Inflation/Poverty. TBF/Glendale Joint Ex. 2, Pp. 2-19. Many programs listed under this "Cost of Living/Poverty" category in TBF's quarterly reports actually deal with

unemployment or other issues. For instance, The 700 Club episode on 11/2/87 (H,75-76) "focuses on helping people cope with loss of jobs, and the needs of their families." The Joy program on 2/24/88 (H,100-101) deals with housing programs in Santa Ana, and the interview with July Williams on 3/2/88 (H,101) mentions the unemployed and the homeless. Under TBF's categorizations, Cost of Living/Inflation, Unemployment, Housing, and Homeless were all separate issues. TBF/Glendale Joint Ex. 2. The Joy program on 2/10/89 (H,185) dealt with taxes. Ms. Downing was told by the Trinity Programming Department that taxes was a separate issue from the economy. TBF Ex. 33, P. 15. The Feedback program on 6/19/89 (H,206) was "a panel discussion on homelessness", and the Miami Praise The Lord on 10/27/89 (H,248) talks about drug addiction. The Feedback on 10/19/89 and Joy on 10/16/89 talk about the homeless (H,249). The Miami Praise the Lord on 10/12/90 discusses a mobile health care unit (HH,40). The Joy program on 10/12/90 (HH,43) talks about the Gulf Crisis and transportation. The Joy program on 5/6/91 (HH, 109-110) discussed the water shortage in southern California.

g. Personal religious experiences

495. The majority of the programs listed in TBF's quarterly reports dealing with the issue of drug and alcohol abuse are descriptions of personal religious experiences by former addicts and abusers. The programs generally follow a

pattern: the person talks about how they became addicted to drugs or alcohol. They then describe how they became free of their addiction by accepting Jesus Christ into their lives. Oftentimes, the persons then describe how they are ministering to others. Interviews that follow that general format occurred on the following shows:

496. Miami Praise The Lord: 2/13/87 (H,3), 3/15/87 (H,3), 8/21/87 (H,54), 10/30/87 (H,79), 1/22/88 (H,105), 7/8/88 (H,142), 12/2/88 (H,159), 1/13/89 (H,182), 2/24/89 (H,181), 4/28/89 (H,210), 5/5/89 (H,209), 6/16/89 (H,210), 7/7/89 (H,233), 5/25/90 (H,291), 7/13/90 (HH,6), 8/17/90 (HH,7), 11/30/90 (HH,31), 12/7/90 (HH,31-32), 3/15/91 (HH,69), 4/19/91 (HH,100), 9/20/91 (HH,129), 12/3/91 (HH,159), 12/13/91 (HH,159).

#### 7. Compliance With Commission Rules and Policies

511. The findings of fact on the qualifications issues specified against TBF are incorporated by reference here.

#### 8. Community Involvement

512. TBF was involved in two community involvement programs during the entire renewal period--His Hand Extended and Prayer Partner Line.

513. His Hand Extended provides food, clothing, and on occasion, other necessities to needy people who come to the WHFT studies. His Hand Extended was open Monday through Thursday during most of the renewal period. That schedule was cut back to three days a week sometime late in the license term. TBF Ex. 32, P. 2. The program was closed for two months in 1990 for needed health renovations (Mr. Everett

believes in 1991). TBF Ex. 32, P. 6. If a person or family appeared at the studio after normal hours, it was the station's policy to provide help anyway. TBF Ex. 32, P. 2. Mr. Everett estimates that ten percent of the people who received assistance from His Hand Extended appeared after normal business hours. TBF Ex. 32, Pp. 2-3.

514. Any person who appears must identify himself or herself. If the person is requesting help for a family, they must provide evidence that the family members actually exist. The person is then provided with a food bag containing sufficient staples to feed a person for a few days. His Hand Extended also provided clothing, toys for smaller children, and occasionally other items. TBF Ex. 32, P. 3.

515. People who came to His Hand Extended came from all over, but usually from the Hollywood area. They hear about the program from television, friends on the street, the Hallandale County Human Resources Department, the Red Cross, other state and county agencies, and nonprofit charitable organizations. TBF Ex. 32, P. 4.

516. Much of the food, and almost all of the clothing is donated by station viewers. His Hand Extended also picks up food from social service and other volunteer agencies and ministries, such as the Daily Food Bank in Fort Lauderdale. TBF Ex. 32, P. 5. Viewers also donated cash to His Hand Extended. TBF Ex. 32, Attachment A. During the renewal

period, the His Hand Extended Coordinator was a paid TBF employee position which required approximately twenty hours a week. During the latter portion of the renewal period, the His Hand Extended Coordinator was given other duties at the station. TBF Ex. 32, P. 5.

517. According to TBF's reports, His Hand Extended helped 30,633 people and 2,565 families during the renewal period. TBF Ex. 32, P. 7. It provided referrals to shelters and other social service organizations for at least 270 needy people (during portions of the renewal period, records concerning referrals were not kept). TBF Ex. 32, P. 7.

518. TBF's other community activity is the Prayer Partner Line. During most programming broadcast on WHFT, a number is flashed on the screen where people can call. The only programming on which the number is not displayed is programming purchased by another ministry. TBF Ex. 33, P. 5. The telephone number is staffed by volunteers recruited and trained by TBF. TBF Ex. 33, Pp. 15-16. The telephone lines have been available twenty-four hours a day during the entire license term. TBF Ex. 32, P. 7.

519. When a viewer calls, calls fall within one of five categories. Prayer requests were the most common call, and consisted of viewers calling to ask the Prayer Partner to pray with them or for them. A second category of calls was called "Salvations." These calls generally come from people who are

watching a program and have had a conversion experience and have decided to accept Jesus as their savior. A third category of calls was called "Rededications." These are calls from people who once were Christians who, for one reason or another, have drifted away from their faith and have decided to come back and rededicate their lives to Jesus. A fourth category was called "Praise Reports." Praise Reports are calls from people who want to share that the Lord has answered a prayer, or to give thanks to the Lord for a good thing that has taken place in their life. TBF Ex. 33, P. 17.

520. The last category of calls was called "Special Requests". These calls consisted of everything from someone who wants a Bible to someone with a message to a host or to Paul and Jan Crouch to someone requesting a gift to someone requesting a referral to a church to someone contemplating suicide. TBF Ex. 33, Pp. 17-18 and Tab J.

521. During the renewal period, the Prayer Partners handled many callers with serious and immediate problems. TBF Ex. 33, P. 18. The station kept a book listing various social service and church agencies that provided services such as alcohol drug addiction, rehabilitation, family counselling, and mental health professionals. Id., TBF Ex. 33, Tab K. During the renewal period, Prayer Partners fielded calls from people with alcohol or drug addiction, from women with abusive spouses, from parents with out of control teenagers, and from

people who needed food or emergency shelter. TBF Ex. 33, P. 19.

522. According to station records, the calls to the Prayer Partner Line fell into the five categories noted above as follows:

	1987	1988	1989	1990	1991
Prayer Requests	34,619	30,318	33,045	19,294	16,940
Salvations	1,772	994	1,038	641	664
Rededications	479	380	407	245	273
Praise Reports	916	886	553	267	374
<u>Special Requests</u>	<u>1,329</u>	<u>684</u>	<u>616</u>	<u>430</u>	<u>382</u>
Total Calls	39,115	33,262	35,659	20,877	18,633
